

ONTARIO

SUPERIOR COURT OF JUSTICE

DATE: July 9, 2021      SCJ FILE # CV-12-8916

*El-Bagdady v Duhamel et al*

Plaintiff: Not appearing, although served and not present in court or waiting room (11:33 am)

Defendant: Ms Sivabalan

**ENDORSEMENT**

Defendant's motion for an order dismissing the plaintiff's action as a result of non-compliance with my order of February 26, 2021. By that order I enforced a settlement entered into by the parties in 2019, with direction that the settlement funds be paid into court pending the plaintiff's execution of the release, so that his previous counsel's charge could be satisfied. The plaintiff has not responded to the order or to the defendant's repeated follow up correspondence. Order signed dismissing action, waiving payment of the settlement.
